

Application # 10/054,022  
RCE Preliminary Amendment dated March 5, 2004  
Reply to Final Office Action dated January 21, 2004

**PATENT**  
**P-4523/15**

#### AMENDMENTS TO THE DRAWINGS

Please replace present drawing sheet 1 with the attached drawing sheet. In the replacement sheet, Fig. 2 reflects the device as described as recited in claim 1, i.e., with the safety cap disposed over at least a portion of the exposed needle cannula.
